

444 E. Saint Charles Street, San Andreas, CA 95249

Press Release: July 27, 2020

Calaveras Connect – Red Line Bus Service is Back!

Starting Monday, August 3rd, the Red Line will resume its regular schedule between Valley Springs, San Andreas, and Angels Camp Monday through Friday. Extended service to Columbia College is also available by request. And it is still fare-free!

All other service continues to be provided by request, with a one-day advance reservation recommended. Persons needing transportation can call **Customer Service at (209) 754-4450** to schedule a trip to and from locations within $\frac{3}{4}$ mile of Calaveras Connects regular bus routes. Because so many in our community have been financially impacted by this crisis, ***Calaveras Connect is not collecting fares or requiring passes at this time.***

During the Covid-19 crisis, Calaveras Connect has made major changes in our service to keep our riders safe, while continuing to meet essential transportation needs. To keep riders safe, each bus is limited to four riders to allow for social distancing. Special sanitation protocols are in place and drivers are equipped with masks, gloves, sanitizers, and other protective gear for themselves and riders. Our procedures are based on guidance from state health and emergency officials.

On-Demand Transportation is provided Monday-Friday, 7:30 a.m. – 6:00 p.m. Buses serve the following areas:

- San Andreas to Jackson, West Point, Mountain Ranch- On-Demand Only
- Angels Camp to Arnold, Copperopolis- On Demand Only

Masks are now required to board and ride all buses.

Please visit www.calaverasconnect.org for additional information and current service updates.
