

444 E. Saint Charles Street, San Andreas, CA 95249

Press Release: June 30, 2021

Calaveras Connect Saturday Hopper is Back, Starting July 10th!

Last year the transit system scaled back its services which included a pause of the Saturday Hopper. As the community continues to open and events begin to return,

we continue to look for ways to provide transportation to our residents and visitors.

Our Saturday Hopper Service returns Saturday, July 10th and will provide riders with connections from Angels Camp to Murphys and Arnold.

In addition to the stops marked on the map you are also able to flag the bus down, wherever it is safe for the bus to stop, or call our Customer Service at (209) 754-4450 to schedule a pickup at a location within 3/4 mile of the route. All rides continue to be free throughout 2021!
